

# December

News from **Fourth Grade**

## Reading:

We have begun this month by exploring the literary elements that make prose, poetry, and drama unique. Prior to winter break, we will compare texts with similar themes from various cultures around the world. We will then begin a nonfiction unit about healthy living.

## Math:

Skills for this month:

- Division
- Patterns
- Prime and Composite numbers
- Factors and Multiples

\*Students can practice all fourth grade skills at home on IXL.

## Science:

Our healthy living unit will include food, nutrition, digestion, and exercise.

## Dates to remember:

- 6: Report Cards sent home
- 6: Math Benchmark
- 20: Early Release
- 21-January 2: Winter Break
