Fall Greetings Families,

I would like to start by thanking all the parents/guardians and families who attended our annual Open House. It is always nice to see so many families eager to meet with their child's teacher and see what they do each day. If you were unable to attend Open House, please contact your child's teacher.

We have recently finished our fall Benchmark assessments in Reading in all grade levels. Last week we began our "Prime Time" groups. During this time student work in small groups utilizing research based reading intervention strategies in order to help build reading and literacy skills. We are excited to be able to meet all children where they are and help them grow!

Let's continue this teamwork and continue to build a quality education for all of our students as we mold them into responsible citizens in our society.

Sincerely,
Dr. Eleanor B. Patrick
