ORE Families,

Wow! Can you believe that it is February already?!? As we are gearing up for the second half of the school year, please be sure to continue your commitment and support of your child's education. The end of the school year will be here before you know it! Each day we are striving to help all students achieve their very best! As a staff we have set a goal to increase our end of year results by 20% this year. We want at least 20% more students to be on grade level than last year. In order for us as a school to meet this goal, we need your help! You can do the following things at home to ensure that your child is growing and learning:

- Read with your child each night. Your child should always come home with a library book.
- Be sure to help your child with daily homework
- Limit absences, tardies, and early check-outs. Every minute of school that your child misses has an impact on their learning.
- Use resources that our school provides to you— Fun math games can be checked out from your child's teacher
- Use ixl to practice math (all students have a user name and

REMINDERS:
